9 April 1982

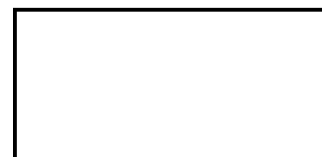

NOTE FOR THE RECORD

There was a meeting in my office on Wednesday, 7 April 1982 to discuss the proposed project on Soviet nonproliferation policy.* The meeting was attended by

25X1

A summary of results: OGI is willing to aid in the scoping of the paper and eventually might be able to contribute to a draft. OSWR expressed a similar view. SOVA was not now in a position to participate in the project because the most knowledgeable (and only) analyst was in training.
